

CONSOLIDATED ANNUAL ACCOUNTS 2024

Purchase commitments (suppliers and subcontractors)

The Group has payment commitments vis-à-vis its suppliers, in addition to those recognized in the trade payables heading, as a result of orders in the preparation or construction phase that cannot be invoiced until the contractual milestones are reached. In this respect, the invoices to clients of the Group are issued in accordance with contractual milestones of a similar nature to those that the Group maintains with its suppliers.

Information on the average period of payment to suppliers. Additional provision three. 'Reporting obligations' under Spanish Law 15/2010, of 5 July. (Under the new wording given by final provision two of Spanish Law 31/2014 reforming the Spanish Corporate Enterprises Act [Ley de Sociedades de Capital]).

As established by the reference law, as well as the resolution of the Spanish Accounting and Account Auditing Institute of 29 January 2016, the following information is broken down in reference to the average period of payment to suppliers:

The calculation of the data of the above table was performed in accordance with the Spanish Accounting and Account Auditing Institute resolution of 29 January 2016. For the purposes of this note, the trade payables item includes the heading of suppliers and sundry payables for debts to goods suppliers or service providers included in the scope of the regulation on legal payment deadlines.

For the calculation of the information contained in this note, the transactions executed with the Group's suppliers has been considered after eliminating the reciprocal credits and debits of the subsidiaries and, as applicable, those of the multi-group companies pursuant to the applicable consolidation rules.

The calculation is made taking into account the date of registration of the invoice in the system (ERP). On that date, not all the invoices are due since they may not comply with the contractual requirements established. In addition, this debt is not enforceable in accordance with 'paid when paid' clauses.
